

Summer Programs 2020

Due to the CoVid-19 pandemic, summer programs looked different this year. We decided to offer our Summer Adventure Day Camp via Zoom, involving crafts and activities. Locations were set for caregivers to pick up the supplies needed for the program and snacks. We also offered a Virtual Respite over Zoom where a worker facilitated activities based on the child's interests.

Summer Adventure Day Camp

100% of participants would recommend virtual SADC to other families

Most respondents rated the program as good or excellent, similarly that their child enjoyed the program

Respondent's favourite programs included the scavenger hunt and cooking class and they liked that the supplies were included

"great program, kids loved it"

"it was well put together and love having the snacks provided"

Virtual Respite

80% of participants:

- rated the overall program as excellent or good
- indicated that their child enjoyed the program
- would recommend their program to other families
- would participate in another virtual group

When asked, "what did you like best about the program?", respondents answered:

"It gave my child a chance to interact with someone outside of the house... I also very much appreciated that it gave us a break while he was engaged in the program."

"My son was engaged the whole time and was able to discuss anything without being worried about anything."

"It gave my child something to look forward to every week."
